\*When installed by an authorized HVAC (Heating, Ventilation, and Air Conditioning) installer. Certain conditions, restrictions and/or limitations apply. See warranty terms and conditions for complete details. \*\*Includes an \$800 rebate from BC Hydro or Fortis BC for a qualifying ductless heat pump. For more information see [www.bchydro.com](http://www.bchydro.com) or [www.fortisbc.com](http://www.fortisbc.com). Also includes an instant rebate of up to \$500, which is valid only for residential customers who purchase one of the qualifying products for their homes from March 15 to July 15, 2018 from an Authorized Canadian Mitsubishi Electric HVAC Dealer. Equipment must be installed by August 1st, 2018. Purchase or install date, model and serial number must be shown on customer invoice. The qualifying product must be purchased in new condition from a participating Authorized Canadian Mitsubishi Electric HVAC Dealer, and installed in a residential application in British Columbia. Products purchased through unauthorized channels; imported or grey market products; used, refurbished, demonstration, or warranty replacement units are not eligible. Limited to only one rebate per household. Not responsible for printing or typographical errors. Void where prohibited or restricted by law. †Based on a 2014 Study by Natural Resources Canada comparing electric baseboard heating vs. a heat pump. Potential savings may vary depending on type of equipment, personal lifestyle, system settings, equipment maintenance, and installation of equipment. See a participating Authorized Canadian Mitsubishi Electric HVAC Dealer for complete program eligibility, dates, details and restrictions.
